

National Child Care Association (NCCA) announces partnership with Quorum eLearning

The National Child Care Association (NCCA) has announced a partnership with Quorum eLearning to enable NCCA members to obtain professional development through Quorum to renew their credentials and access online training.

NCCA promotes high quality early childhood education in thousands of licensed child care programs through the National Early Childhood Program Accreditation (NECPA), and awards the Certified Child Care Professional (CCP) Credential and the National Administrator Credential (NAC).

Quorum is a membership program with over 180 hours of high-quality engaging and interactive online training.

Quorum courses are available 24/7 in English *and* Spanish!

To join Quorum, NCCA and NECPA members should email wsheffield@kaplanco.com with their member, client or CCP number.
